HIRING ASSESSMENT PROGRAM EXCLUSIVELY FOR LUXURY PRODUCT GROUP

Program Overview

In order for any business to operate it needs people, but in order to grow and thrive, it needs great people - we call these Rockstars. We partner with clients to sort through the riff raff and provide the tools and support to identify Rockstars and build teams of high performers. This creates a culture of highly engaged, motivated team members who are naturally great fits to the position. In turn, achieve results.

- Reduce number of bad hires
- Increase employee engagement
- Reduce employee turnover
- Increase sales

Our Assessment Tools

Rockstar Workforce is a certified partner of TTI Success Insights (TTI SI), a global, research-based assessment company, providing pre-hire assessments since 1984.

With over 30 million assessments taken to date, the TTI SI team of behavioral scientists and statisticians ensure the tools have the highest level of accuracy, validity and comply with the legal hiring standards set by the EEOC.

DISC SALES VERSION

The DISC Sales Version provides insight into how a salesperson will perform the job. It's one of the most commonly used reports for hiring entry to mid-level sales people.

[View sample report](#)

5 pack = \$375

10 pack = \$650 (save \$100)

25 pack = \$1,375 (save \$500)

DISC + DRIVING FORCES SALES VERSION

This report includes everything in the DISC report AND reveals the candidate's true motivation and intrinsic drive. **It's our recommended report** for hiring entry to mid-level salespeople.

[View sample report](#)

[View gap report](#) (optional and an additional \$25/candidate)

5 pack = \$475

10 pack = \$850 (save \$100)

25 pack = \$1,875 (save \$500)

TRIMETRIX SALES VERSION

This report covers DISC + Driving Forces AND measures 25 competencies such as *personal accountability* and *self starting*. This is our recommended report for truly identifying the top performing sales candidates.
